Notts County Spectators' Covid-19 Matchday Agreement

Any breaches of this agreement will be treated extremely seriously and may result in sanctions, including expulsion, bans, or reporting to the police.

- If you are purchasing tickets for others please ensure that they are in your social bubble as per the latest government guidelines. You may sit together with those in your social bubble without social distancing. You cannot transfer tickets to others
- Track and trace information must be provided at the time of purchasing your ticket(s)
- On matchday, if you or anyone in your social bubble display any Covid-19 symptoms, or you are self-isolating, do not attend the stadium. Please see our Covid ticket refund policy for further details
- Ensure that your travel arrangements are in line with the latest guidance
- Make sure in advance that you know where your entry point is and only use the entry point specified
- Be aware that your temperature may be taken before entry
- Please arrive at the stadium entrances early and allow plenty of time to undertake any revised entry protocols
- You are required to wear masks or face coverings which safely cover the nose and mouth when on the move within the stadium. Given the higher risk of transmission associated with singing and shouting, spectators are strongly encouraged to wear face coverings in all outdoor settings, including seats/standing points
- At all times and in all parts of the stadium, please observe social distancing and avoid close contact with others not in your social bubble
- Maintain good hand hygiene – use the sanitiser dispensers provided and avoid touching your face, handles, railings etc. whenever possible
- Please observe respiratory etiquette – always cover your mouth when coughing or sneezing
- Due to the risk of airborne transmission, please be aware of your responsibility to others when shouting, singing or celebrating
